June 9th, 1915.

J. M. Tyrrell, Esq.,

7 Hughson Street S.,

Hamilton.

Dear Mr. Tyrrell:

Many thanks for your letter giving me an account of your cottages in the Lake of Bays. However, for this summer we have made arrangements to go to Portage Lake, so that however attractive the Lake of Bays is we must abide by our decision. I have heard a great deal about the Lake of Bays, and possibly some time in the future we might be glad to take a cottage for the summer, though there is no likelihood of our purchasing, as one wants to be free to take a holiday in whatever place may suit one best for the summer.

With kind regards, I am,

Yours sincerely,

President.
